WINEMAKER'S NOTES:

Washington state Sauvignon Blanc is a favorite of ours, offering the perfect balance of acidity and crispness, ideal for welcoming the warmth of the season. This year, we've sourced fruit from Zillah vineyards in the Yakima Valley, ensuring our wine captures the essence of the region's terroir and delivers a refreshing sip that's bound to delight.

TASTING NOTES:

Inviting aromas of zesty grapefruit intertwine with the luscious scent of ripe peach, evoking the anticipation of a vibrant palate experience. The palate unfolds with crisp flavors of tart green apple and refreshing lime, enlivened by a lively acidity that dances across the senses, culminating in a refreshing and invigorating finish.
