## WINEMAKER'S NOTES:

Elephant Mountain holds a special place in our hearts, and Mourvèdre stands as our preferred grape for rosé. With such exceptional fruit at our disposal, we simply couldn't resist the opportunity to craft a unique expression of this beloved wine style. We eagerly await your feedback and hope you savor our interpretation of the classic rosé.

## TASTING NOTES:

The bouquet unfolds with inviting aromas of fresh strawberries, gracefully intertwined with the delicate fragrance of rose petals. On the palate, vibrant rhubarb and succulent strawberry flavors offer a harmonious balance of sweetness and tartness. The wine's crisp texture is accentuated by a refreshing acidity, lending it a lively vibrancy. The wine concludes with a clean, lingering finish, leaving behind a subtle reminder of its delightful fruit-forward character.
